40 DAYS OF GRAIN

TRAVEL DIARY OF A LOCATION MANAGER

She was a location manager.
She had 40 days to scout the
locations for the new movie.

She took a plane, a new
notebook and left.
When she came back...

Got my feet on the ground...

summer. summer. summeeeeer!!

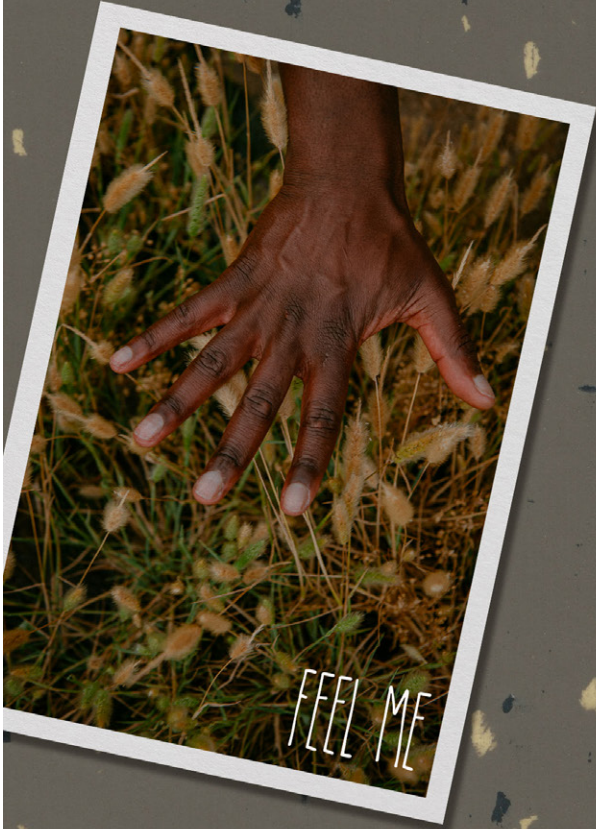

Hand in hand...

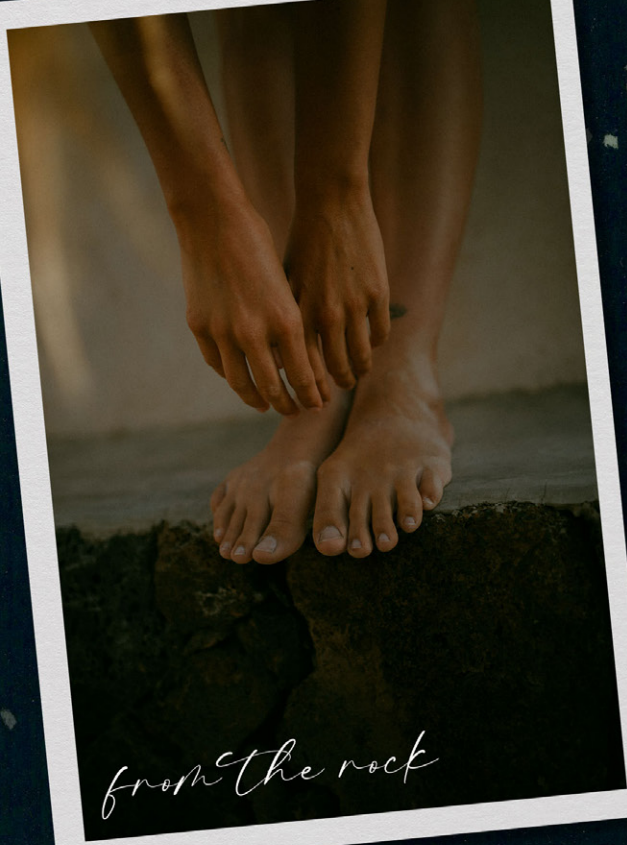

Take me to the beach

from the rock

Could get used to this!

to new horizons!

Remind me to travel here someday...

Just don't forget it!!

Day 30

See you next week!!!

My thoughts exactly...

*Dream made real
10000 points!*

Caught me by surprise!

WAITING FOR YOU
