

Mondofin S.p.A., the holding company of Artigo S.p.A. has adopted an Energy Management System according to its attention and sensitivity to issues connected to a sustainable development and a continuous improvement.

The goal of this system is to define, implement and actively improve a specific energy policy in the company.

The reference standard is the UNI EN ISO 50001:2018 *“Energy management systems - Requirements with guidance for use”*.

This document defines the will and the commitment of Mondofin S.p.A. and its subsidiaries, included Artigo S.p.A., in the **control and improvement of their energy consumption efficiency**, today and in the future.

Adopting the Energy Management System, Artigo S.p.A. reaffirms its determination to:

- Acquire a **full knowledge of its energy consumptions**.
- Ensure the **compliance with legislative and regulatory requirements**.
- Ensure the **adherence of its behaviour** to the energy policy adopted.
- Be able to **demonstrate such compliance** with third parties.
- Increase and maintain the **staff motivation** in the implementation of **energy improvement plans**.

To achieve these goals, Artigo S.p.A. undertakes to:

- Operate with a documented energy policy, implemented, maintained active and communicated to all personnel.
- Ensure the **availability of all the information and resources** required to achieve the identified energy objectives and targets.
- Satisfy all **legislative requirements and other requirements related to energy efficiency, energy use and energy consumption**.
- Pursue a **continuous improvement of the energy performances** and of the energy management system, defining **energy objectives and indicators** to be monitored in the time.
- **Apply the adopted policy** to the energy aspects of its activities (i.e., to the production processes).
- Support the **design activities** with a focus on the **improvement of the energy performances**.
- Support the **procurement of energy efficient products and services**.

This energy policy is shared, communicated and available to the public and to all those who work directly for or on behalf of the Organization.
